Ladies approve of your smoking Little course. See circulars.

Prof. Walter C. Clark, of Chicago, a pecialist, who has made a reputation for ecessful class teaching of music, is in the ity. He has made arrangements to give a ourse of sixty drills and lessons in inging and vocal expression, at the end of which time he will give an operetta or

something of that character with his trained class. These concerts or musical dramas are said to be highly artistic and pleasing, for he comes backed by recommendations, endorsements and credentials that cannot be of this scheme in the near future, but it will fine, if not the finest, line of Cloaks ever Those went last year will remember with be backed by prominent gentleman and shown in this city. nust prove a success.

A VERY SAD ACCIDENT.

A family named Slocum started this week from four miles south of Goddard in effects for Pratt county, where they ex- tickets and avoid the rush at the gate. pected to take a homestead. When enamped near Kingman, their oldest, a boy of sixteen years, named Berty, attempted to pull an ax out of the wagon. In some way it is supposed the ax came in contact with a heart, killing him instantly; this was night before last. Yesterday the family returned to Goddard with the body of their dead child where it was buried. We get

these facts from A. D. Wheeler. TO THE CITIZENS OF WICHITA.

The proceeds of the dining hall will I devoted to the founding of our library nnection with the reading room; to tha end, we ask every one who can contribute any of the following articles, to do so. THE HAND CAR'S VICTIMS.

A great deal has been said about the me who were injured in the hand car accident last week, they have been reported as dying and dead and the public has been quit anxious to know something definite and reliable about their condition. This desire to learn the truth and give to this morning's readers the facts induced a pencil-pusher to make a call yesterday at the home of each o Union depot and was reclining upon chairs his foot and ankle were incased in bandage which upon being removed disclosed a very much swollen and badly bruised limb, the doctor claiming that a small bone in the foot or ankle is broken and that he will not be able to bear his weight upon it for a month. Mr. Lynch did not seem to be suffering and spoke quite cheerfully of his condition. He is in no danger whatever, though it will be necessary for him to pass through more or county, Kansas. Address A.
